2. Navigate to the 'Account Settings' section.
3. Select 'Deposit Limits' from the menu.
4. Choose a daily, weekly, or monthly limit that suits your budget.

Time-out periods allow players to take a break from gaming, promoting a healthier approach to online gambling. To activate a time-out:

1. Access your account settings.

3. Choose the duration of your break (1 day to 6 weeks).
4. Confirm your selection.

During this period, you will be unable to log into your account, ensuring a complete respite from gaming activities.

2. Select 'Self-Exclusion'.
