

Stay is an online casino that has been operating for several years, offering a wide range of games to its players. The casino's primary goal is to provide an entertaining experience while ensuring fairness and security. In this review, we will delve into the staycasino-au.top various aspects of the Stay casino brand.

Brand Overview The Stay casino is owned by a company registered in Malta, which has licensed it with the Malta Gaming Authority (MGA) license. This regulatory body ensures that online casinos operate under strict guidelines, providing protection for players and ensuring fairness. The casino's website features an attractive design, with easy navigation through its various sections.

Registration Process To start playing at Stay, a player must first register by filling out the sign-up form on the website or mobile app. This process requires some basic information, such as name, email address, phone number, and date of birth. Players also need to choose their preferred username and password for logging in to their account. After submitting this information, an email will be sent to verify the player's contact details.

Once verified, players can proceed with depositing funds into their newly created account. This is required because many games at Stay offer real-money rewards or bonuses that are only available after making a minimum deposit of €20. Players should also familiarize themselves with the terms and conditions for any promotional offers, as these often come with wagering requirements.

Account Features Players can access various features through their account on the Stay website or mobile app. The My Account section provides an overview of ongoing game sessions, betting history, bonus information, and deposit/withdrawal records. From here, players can also manage their profile details and set up notifications for special offers or events.

One notable feature is the Stay Loyalty Program, which rewards regular players with loyalty points based on deposits made. These accumulated points are redeemable in cash, providing a long-term incentive to return to the site regularly.

Bonuses Stay casino offers various promotional bonuses, categorized by their types: sign-up bonus for new members, deposit match bonus (percentage matching of first deposit), and

recurring promotions like freespins or special tournaments. It is crucial to carefully read through each offer's specific terms before claiming them as they often have conditions linked with playthrough requirements.

Additionally, some games at Stay come equipped with progressive jackpots that grow larger over time until one lucky player wins the accumulated amount when participating in these respective slot machines.
