Amorbingo är en ganska ny bingosida (2014), men den aktör som ligger bakom sidan har lång erfarenhet av att driva bingosidor och särskilt sådana som vänder sig till svenska spelare. Amorbingo är en helt och hållet svensk bingosida med svensk support, svenska favoriter bland bingospelen och möjlighet att spela i svenska kronor.

Amorbingo har ett riktigt stort utbud av bingospel med såväl 75 bollars variantbingo som 90 bollars bingo och bingo med växande jackpottar. Brickpriserna är i vissa bingospel så låga som 10 öre vilket gör att du kan få mycket underhållning även med en liten spelkassa. Vid sidan av det generösa utbudet av bingospel finns också ett komplett casino. Det är mest fokus på spelautomater, men du kan också prova på exempelvis roulette och videopoker.
